## News Release of July 16, 2018

### Hobbs Drive Closure

As a reminder, beginning Tuesday, July 17, 2018, the City of Alpena's Contractor, Everett Goodrich Trucking, will begin the reconstruction of Hobbs Drive from Grant Street to Third Avenue.

The first of three scheduled closures will begin this Tuesday, with the complete closure of Hobbs Drive from Grant Street to Greenhaven Lane. Access shall be maintained to Greenhaven Lane and adjacent side streets from the Third Avenue end of the project. It is anticipated that Hobbs Drive will be reopened to thru traffic by the end of the day Friday, July 20, 2018. However, motorists are advised to use caution while driving as this segment of street will still be under construction. Uneven pavement, sections of open gravel and no pavement in driveways should be expected.

Signage and barricades will be present to guide traffic around the construction site.

The entire project is expected to take four (4) weeks to complete unless weather or construction delays occur.
