News Release of August 29, 2018

## Thomas Stafford Dog Park Opening

The City of Alpena will be opening the Thomas Stafford Dog Park, in North Riverfront Park directly behind the Alpena Post Office, at 12:00 p.m. on Friday, August 31, 2018.

A formal dedication ceremony honoring the opening and naming it after Thomas Stafford will occur either later this fall or next spring, once final arrangements and signage are completed.

There are still four (4) benches to be installed within the park, which will occur as soon as our contractor is available to set them and pour the concrete.

The City has delayed the opening to try and improve the grass areas disturbed during construction.

Additional improvements are planned for installation in the spring including a dual purpose water fountain.
