News Release of July 14, 2017

Third Avenue Railroad Closure

Beginning on Tuesday, July 18, contractors for Lake State Railway will be closing Third Avenue at the railroad crossing to perform maintenance work.

This section of Third Avenue will be closed to all traffic. Signage will be present to direct traffic around the work area using North Street, Emmett Street and Franklin Street. Motorists are asked to seek alternate routes when possible as traffic back-ups are likely.

This work is expected to take five (5) days unless weather or construction delays occur.
