

City of Alpena

News Release of July 11, 2008

SRF/DWRF Campbell Street Closure

Beginning on Friday, July 11, 2008, the City of Alpena's contractor, MacArthur Construction, will remove pavement on Campbell Street from First Avenue to Second Avenue in order to begin utility construction on Monday, July 14, 2008.

Campbell Street from First Avenue to Third Avenue will be closed to traffic beginning Monday, July 14, for the duration of the project. Residents who normally access their property from Campbell Street will need to park on adjacent side streets or access their property from adjacent alleys.

Motorists are advised to seek an alternate route during the duration of the construction process.

It is anticipated that this work will take three weeks but may be extended if delays occur.
