CHISHOLM STREET RECONSTRUCTION - INTERSECTION SIGNAGE CHANGES

The Michigan Department of Transportation has reverted the traffic control devices at the intersections of Ninth Avenue and Oldfield Street, and Walnut Street and Johnson/Miller Street to the pre-detour conditions. Traffic traveling eastbound on Ninth will once again be required to stop at both Oldfield and Miller. Traffic on Johnson Street is once again two-way and shall have the right of way and shall not be required to stop.

The detour route for the Chisholm Street Reconstruction has been discontinued.
