News Release of October 3, 2008

Eleventh Avenue Road Closure

Contractors for ATI Castings Services will be installing new equipment at the facility on Saturday, October 4, 2008. Due to the complexity and equipment needed for this installation, Eleventh Avenue will be closed from Tawas Street to Fair Street to assist with this installation.

The portion of Eleventh Avenue in front of the plant will be closed to all through traffic. Motorists are asked to seek an alternate route for the duration of the closure, which is anticipated to last one day only.
