

City of Alpena

News Release of July 2, 2008

THIS YEAR'S FIREWORKS WILL BE SET TO MUSIC!

The Alpena Area Chamber of Commerce and the City of Alpena are proud to announce that Wolverine Fireworks Display has added something unique to this year's fireworks display; music to go with the fireworks. Spectators within approximately 1 mile of the fireworks site can listen to the music by tuning into 91.1 FM.

This is a first for Alpena.

The Chamber of Commerce and the City of Alpena are extremely excited about the addition of music to this year's fireworks show. Bring your radio and be prepared to watch and listen to an awesome fireworks display.
