## News Release of July 3, 2008

### **IF FIREWORKS ARE CANCELLED**

In the event the July 4<sup>th</sup> fireworks display has to be cancelled due to inclement weather or technical difficulties, that information will be provided to local radio stations and television station. As much advance notice as possible will be given.

If people have already gathered along the shore to watch the fireworks, police will broadcast a cancellation notice via their public address system.

In the event the fireworks are cancelled on July 4<sup>th</sup>, the backup date is July 5, weather permitting.
