

City of Alpena

News Release of May 22, 2008

REQUIRED LAWN CUTTING

The City of Alpena would like to remind all residents that city ordinance requires cutting of lawns by June 1 and as many other times as may be necessary to prevent properties from becoming unsightly, noxious, or detrimental to public health and welfare. Recent observations have revealed lawns currently requiring cutting prior to June 1, 2008. The City of Alpena recognizes the fact of increasing gas prices and will make every attempt to work with City residents in resolving lawn-cutting issues by first attempting to contact owners.

Please check your property line along any alley and make sure any brush, weeds, or vegetation is trimmed back to allow passage of vehicles. Plan trimming along with the scheduled City brush pick-up in your area to prevent brush piles from sitting for extended periods. The pick-up schedule is available in your City newsletter. If residents have any questions, they can contact the building department at 354-1700.
