

# City of Alpena

News Release of May 23, 2008

## SRF/DWRF Second Avenue Closure

Beginning on Tuesday, May 27, 2008, the City of Alpena's contractor, MacArthur Construction, will close Second Avenue from Lewis Street to Crapo Street to begin utility reconstruction.

Second Avenue will be closed to traffic for the duration of the project. Residents who normally would access their property from Second Avenue will need to park on adjacent side streets or access their property from adjacent alleys. Motorists are advised to seek an alternate route during the duration of the construction process.

It is anticipated that this work will take ten weeks but may be extended if delays occur.
