News Release of August 4, 2008

SRF/DWRF

THIRD AVENUE CLOSURE

Beginning Wednesday, August 6, 2008, the City of Alpena's contractor, MacArthur Construction, will begin work on Third Avenue from Lewis Street to Crapo Street.

Third Avenue from Lewis Street to Crapo Street will be closed to traffic for the duration of the project. Residents who normally access their property from Third Avenue will need to park on adjacent side streets or access their property from adjacent alleys. Motorists are advised to seek an alternate route during the duration of the construction process.

It is anticipated that this work will take six weeks but may be extended if delays occur.
