## Changes in City Assessor/Building Official Office

Beginning June 4, 2018, Berg Assessing and Consulting, Inc, of Rogers City, will be taking over the duties of City Assessor. With this change, there will be no Assessor physically located at City Hall during regular office hours. Most inquiries to the Assessor's Office will be handled by Assessor Clerk, Paddi LaCross, who will still be available at City Hall either in person or by phone at 989-354-1740. Matters that require the Assessor's attention will be directed to the new Assessor, Allan Berg, or his staff, by email at [assessor@alpena.mi.us](mailto:assessor@alpena.mi.us), or by phone at 989-354-1741 or 989-734-3555. City Residents can use these methods to contact the Assessor with their questions, or set up a face to face meeting at City Hall to discuss any issues.
