

City of Alpena

News Release of April 21, 2015

Arbor Day

The City of Alpena will be observing Arbor Day on Friday, April 24, 2015. This is a special day set aside for the planting of trees. In honor of Arbor Day, The Home Depot of Alpena, along with their tree supplier, will be donating and planting ten trees within Bay View Park and the City of Alpena will raise the Tree City USA flag at City Hall.

Arbor Day was first observed with the planting of more than a million trees in Nebraska. Now it is observed throughout the nation and the world. Trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce oxygen, and provide habitat for wildlife. Trees are a renewable resource giving us paper, wood for our homes, fuel for our fires, and countless other wood products. Trees in our City increase property values, enhance the economic vitality of business areas, and beautifies our community.
