News Release of January 13, 2017

Second Avenue Bridge Closure

As a reminder, the Second Avenue Bridge will be closed beginning on Monday, January 16, 2017, to all pedestrian and vehicular traffic in coordination with the ongoing maintenance work being performed on the bridge.

This process will interrupt all traffic, and commuters are asked to plan accordingly. Detour signage will be in place to reroute traffic. All local businesses will remain open and can be accessed via the detour route.

It is anticipated that the bridge will be closed for the remainder of January. This time frame could be extended if weather or construction delays occur. Your cooperation and patience are appreciated during this time.
