

# City of Alpena

## News Release of July 17, 2017

### Campbell Street Closure

Beginning Wednesday, July 19, the City of Alpena's Contractor, MacArthur Construction, will begin the reconstruction of Campbell Street from Ripley to Fifth.

This section of roadway will be closed to all traffic. Access to driveways will be limited and residents will have to park on side streets for extended periods.

Signage and barricades will be present to guide traffic around the construction site, but motorists are advised to seek alternate routes.

All local businesses will remain open for the duration of this project. Additional signage will be present to direct access information to local businesses.

This project is expected to take six (6) weeks to complete unless weather or construction delays occur.

If you would like to receive project updates via email you can email the engineering department at [engineer@alpena.mi.us](mailto:engineer@alpena.mi.us) and include Campbell Street Project in the subject line.
