

# City of Alpena

## News Release of June 15, 2017

### Street Closure

The City of Alpena's Contractor, Goodrich Trucking and Asphalt Paving, will begin resurfacing the following streets:

Beginning on Monday, June 19, 2017,  
Johnson Street from Chisholm Street to Walnut Street  
Long Lake Avenue from Miller to Adams Street

Beginning on Tuesday, June 20, 2017,  
Second Avenue from Ripley to Bingham  
Dunbar Street from First to State

Crews will be cold milling the existing asphalt surface. This will result in a rough, but drivable, surface until asphalt can be reinstalled.

Johnson Street traffic will be maintained through lane shifts and traffic regulators. Long Lake Avenue, Second Avenue, and Dunbar Street will experience sporadic full closures during the construction activities.

Signage and barricades will be present to guide traffic around the construction site, but motorists are advised to seek alternate routes.

This project is expected to take two (2) weeks to complete unless weather or construction delays occur.
