News Release of August 29, 2016

Goose Hunt

The City of Alpena will be conducting goose control hunts on Friday, September 2 and Friday, September 9. The hunting areas will be limited to Besser Lake and Mich-e-ke-wis Park, and will be held from daylight until 12:00 p.m. During the hunting hours, the boat launch ramp at the end of 11th Avenue, the lakeshore area of Mich-e-ke-wis Park, and the Bi-Path behind the water treatment plant will be closed to public access. Only five to six hunters will be utilized, comprising of DNR and City employees. Also, during the hunt, harassment techniques will be employed to move geese out of certain areas where their droppings have been causing problems. There will be no hunting in the City Wildlife Sanctuary for either of these hunts.
