

City of Alpena for DTE Energy

News Release of December 18, 2015

DTE Energy

Oldfield Street Closure

Beginning on Monday, December 21, 2015, DTE Energy will continue gas main connection and installation. To facilitate this work, Oldfield Street, at the intersection of Pine Street, will be closed to thru traffic.

Signage will be present and through traffic may use surrounding streets to detour around the work zone.

It is anticipated that this work will take three (3) days to complete. This time frame could be extended if construction delays occur.

Your cooperation and patience are appreciated during this time.
