News Release of September 20, 2016

Reappraisal Firm Begins Work in the City

The Contractor that is performing the reappraisal of the residential class of properties in the City of Alpena, Berg Assessing and Consulting, plan on starting inspections of houses on the north side of the City the week of October 3, 2016. This includes the area lying northeast of the Thunder Bay River and Southeast of Woodward Avenue.

Letters have been mailed to all residential property owners in this area notifying them of the upcoming inspection. It may take several weeks to complete the inspections in this area. To ensure fair and accurate assessments throughout the City, property owners are asked to cooperate fully with the inspectors.

If you have any questions about the process, you can contact City Assessor, Jeff Shea, at 989-354-1741.
