News Release of August 11, 2015

Second Avenue Bridge Inspections

Contractors for the City of Alpena will be performing a detailed inspection of the Second Avenue Bridge beginning on Monday, August 17, 2015. This work is expected to be completed at the end of the workday on Thursday, August 20, 2015, but could be extended if delays occur.

During this time, the bridge will be open to traffic but closed periodically throughout this four (4) day period. The bridge openings may last up to 20 minutes while various bridge elements are inspected.

While the bridge will not be closed to traffic, it is recommended that motorists seek alternate routes to avoid travel delays. Your cooperation and patience are appreciated during this time.
