

# City of Alpena

News Release of October 4, 2018

## Alpena Communities Seeking Public Input

Communities in Alpena County are working together to survey the public and they are interested in hearing from you. Partnering communities include the City and County of Alpena and the townships of Alpena, Green, Ossineke and Wilson. Northeast Michigan Council of Governments (NEMCOG) is partnering with these communities to update the plans and gather public input.

These communities are seeking insight from people in the area who are willing to participate in this process. Insight from the survey will guide updates to the plans, goals, objectives and strategies for the communities of Alpena County. Gathering public input is vital to the planning process. This survey consists of multiple choice questions which will take approximately 15 minutes to complete.

The survey can be found at:

<https://www.surveymonkey.com/r/alpenasurvey2018>

## LET YOUR VOICE BE HEARD IN PLANNING YOUR COMMUNITY'S FUTURE

**Help us understand your community's needs for the future by completing this Community Survey.**

**Please go to: <https://www.surveymonkey.com/r/alpenasurvey2018>**

Communities in Alpena County are working together to survey the public and they're interested in hearing from you. Partnering communities include the City and County of Alpena and the townships of Alpena, Green, Ossineke, and Wilson. They are all working to update their Recreation Plans and all but Alpena Township are updating their Master Plans (Alpena Township's was recently updated).

We hope you will take the time to fill out the survey in order to participate in this process. Your opinion is highly valued as citizens who choose to live here full-time or part-time. Your opinions will guide the updates to the plans' goals, objectives and strategies for your community. Gathering public input is vital to the planning process, so we thank you for your time! This survey consists of multiple choice questions which will take approximately 15 minutes to complete.
