## News Release of September 20, 2018

### Gas Main Upgrades

Beginning on Monday, September 24, 2018, DTE Energy will begin work to upgrade gas valves and relocate gas mains on Ninth Avenue near Chisholm Street.

A lane closure with signage and barricades to direct traffic around the work area will be present, but motorists are advised to seek alternative routes when possible.

This work is expected to take 3 weeks, unless weather or construction delays occur.
