

City of Alpena

News Release of August 16, 2018

Miller Street Closure

Beginning Monday, August 20, 2018, the City of Alpena's Contractor, MacArthur Construction, will begin the reconstruction of Miller Street from Second Avenue to Walnut Street.

Miller Street from Second Avenue to Walnut Street will be closed to all traffic. Access to driveways will be limited and residents will have to park on side streets for extended periods. Residents may also want to consider parking in their backyards if they have alley access.

A detour route has been established utilizing Oldfield Street, between Second Avenue and Walnut Street, to reroute traffic around the construction site.

Sidewalks will be considered closed for the duration of the project.

This project is expected to be completed in November.
