News Release of July 19, 2019

Park Place Open to Traffic

Beginning Friday, July 19, 2019, at 5pm Park Place, between First Avenue and Harbor Drive, will be open to all traffic.

This will facilitate better traffic flow for the community events over the next two weeks. Traffic should continue to use caution as this section of street is not completed. Motorists may encounter uneven surfaces and/or barrels present in the roadway.

At a future time, crews will re-mobilize to adjust structures to their final grade and place the top course of asphalt. An additional news release will be issued when this occurs.
