

CITY OF ALPENA

STANDARD OPERATING POLICY

SUBJECT: Dust-Control

SOP No.: 24

Date Issued: June 27, 1997

Effective Date: June 27, 1997

Copies to: All City of Alpena Department Heads

STATEMENT OF POLICY:

- I. **Purpose:** The purpose of this policy is to establish guidelines/procedures for the application of dust-control products on gravel streets, shoulders, and maintained alleys.

- II. **Policy:** It is the policy of the City of Alpena to apply a dust-control product on all gravel streets, shoulders of roadways, and maintained alleys. Dust-control products shall be utilized on an as-needed basis starting in the spring of each year. Application of dust-control products shall include the full width of gravel roads, alleyways, and all gravel shoulders on hard-surfaced streets.
